National Tax Practice Institute™ (NTPI®)

NTPI is a three-level program developed to sharpen the representation skills of practitioners at all stages of their careers. With each level of this program, participants expand their knowledge and skills, while gaining the confidence needed to guide their clients successfully through the often-challenging maze of the Internal Revenue Code, tax regulations, and agency structure.

Enrolled agents who successfully complete Levels 1, 2, and 3 (in order) become NTPI® Fellows. Those who become Fellows join ranks with others who have achieved the highest educational achievement in representation. Prospective clients using the “Find an EA” directory on the NAEA website may include “Fellow” in their search criteria. The member profiles of Fellows also showcase this designation, adding a level of distinction to their profiles. NAEA is recognized and approved by the Internal Revenue Service Return Preparer Office (RPO) and NASBA as an approved continuing education provider. NTPI Levels 1, 2, 3 and the Graduate Level in Representation are open only to enrolled agents, CPAs, and tax attorneys.
