NAEA & Your State Affiliate

National Dues: Your NAEA membership renews annually on the date which you joined. To remain an NAEA member in good standing, the bylaws require 30 hours of continuing education per calendar year, including 2 hours of ethics. Continuing education requirements are pro-rated for new members by assigning 2 credit hours for each month during the calendar year, including the 2 hour ethics requirement.

State Affiliate Dues: If your practice is located in a state listed below, the amount of the affiliate dues is noted. These dues are also annually renewed on the date in which you joined. State affiliate membership is optional for Associate Members and Academic Associate Members.
