

# PREPARE YOUR STUDENTS FOR SUCCESS

## With Pathway to EA™

PATHWAY TO EA

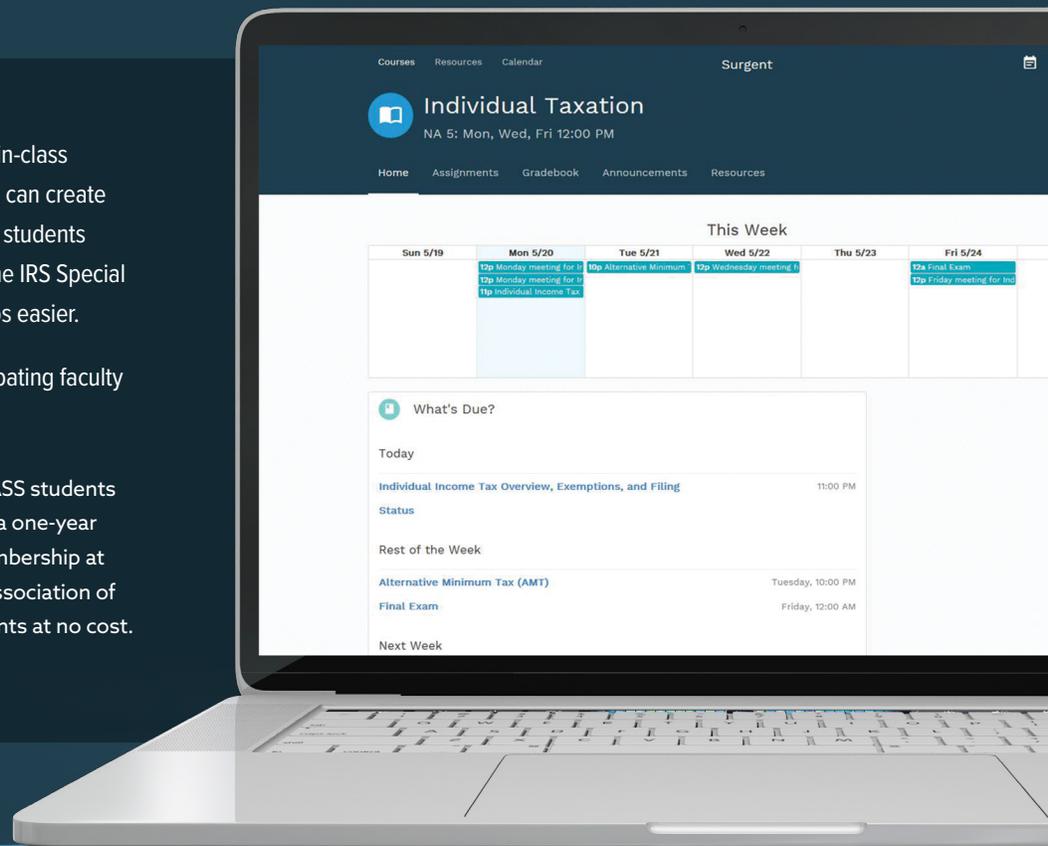

The National Association of Enrolled Agents and Surgent EA Review have partnered to create the **Pathway to EA™** program, empowering today's and tomorrow's tax preparers to elevate their careers by earning the Enrolled Agent credential.

With the help of **UniversityPASS™**, Surgent's best-in-class curriculum solutions tool, colleges and universities can create a one-year curriculum in tax education that equips students with the tools and knowledge they need to pass the IRS Special Enrollment Exam—all while making professors' jobs easier.

Plus, complimentary NAEA membership for participating faculty and students.

✓ UniversityPASS faculty and students quality for a free academic associate membership to NAEA.

✓ UniversityPASS students also receive a one-year student membership at their state association of enrolled agents at no cost.

NAEA

*"Surgent's EA Review has cutting edge technology that helps learners identify knowledge gaps and focus precisely on what they need to study. Studying smarter not harder allows busy tax professionals to save time and pass the EA exam faster. That's why the Surgent EA Review course is the preferred provider of NAEA."*

*—Robert Kerr, Executive Vice President of NAEA*

# UniversityPASS Benefits

**Surgent**  
UniversityPASS

## STUDENTS

UniversityPASS is a dynamic online platform that was built for today's student. Our up-to-date, exam-aligned study content is both comprehensive and easy to digest—and proven to increase comprehension and credentialing pass rates.

## PROFESSORS

A sophisticated administrative dashboard allows professors to easily create quizzes, exams, and assignments and export those results to an LMS. And, thanks to pre-built course templates, professors can set up their course in just minutes. Plus, access is FREE for professors.

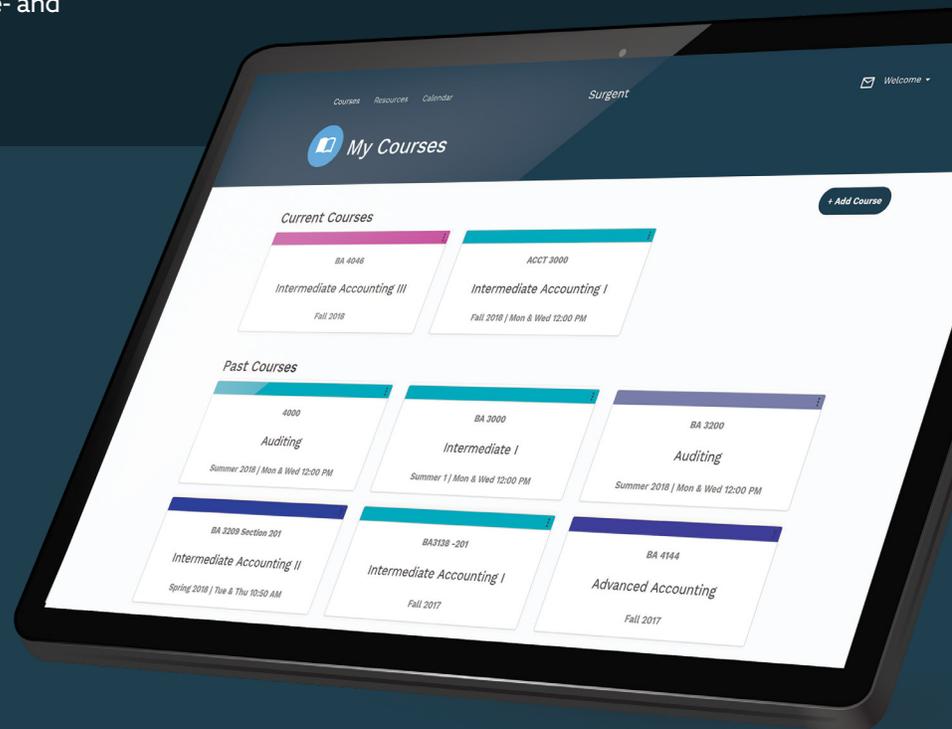

## UNIVERSITIES

Impressive credentialing exam pass rates make it easy for department heads to quantify their programs' effectiveness. Plus, our software includes robust assessment tools that can be used to measure students' pre- and post-course knowledge.

*"I wish I knew about UniversityPASS sooner. This program is a huge timesaver for accounting professors!"*

*— Bruce Leaby, Associate Professor of Accounting at La Salle University*
